

If you don't like your job,
just be glad that ...

You are not an Electrician
in China ...

... or a plumber
in Hungary ...

... or a delivery service
employee in Asia ...

... or a deodorant tester
in Germany ...

... or a Zoo keeper
in America ...

... or a Horse Whisperer
in England ...

... or a Ditch Digger
in Poland ...

... or what is really
a shitty job ...

... a mobile toilet !

Just be thankful for your job !

And now hurry back
to your job !
