2010 International Conference on Electronics, Information, and Communication

Call for Papers

The 10th International Conference on Electronics, Information, and Communication (ICEIC 2010), will be held at Cebu in Philippines from June 30 to July 2, 2010.
The conference is open to all, and participation from Asia-Pacific Region is particularly encouraged.
Papers describing original works in all aspects of electronics, information, and communication are invited.

Area of Interest

- Control & Robot Systems
- Analog/Digital Circuits and Systems
- Computer-Aided Design & Modeling
- Computer Systems & Applications
- Modeling and Simulations
- Power Electronics and Circuits
- Solar Cell & Semiconductor Devices
- IT Business & E-commerce
- Artificial Intelligence
- Information Security
- Analog/Digital Signal Processing
- Communication and Information Theories
- Communication Networks and Systems
- Digital Image Processing & Graphics
- Video/Audio/Speech Processing
- VLSI Design and Applications
- Nanomaterials for Information Technology
- Embedded Software
- Other Related Areas

Prospective authors are invited to submit the full paper with a paper submission form in English to the Technical Program Chair/Co-Chair by e-mail. The full paper format is 2~4 pages in double column format (download MS-Word template file from the webpage http://iceic2010.ieek.or.kr)

Best Paper Awards

The authors of the best papers will be presented as Gold, Silver, and Bronze awards and their papers will be recommended to be published on the Journal of IEEK.

Author's Schedule

- Deadline for Full Paper March 26, 2010
- Notification of Acceptance April 16, 2010
- General information: Contact by email to iceic2010@ieek.or.kr

Organized by The Institute of Electronics Engineers of Korea (IEEK)
and University of San Carlos at Cebu (USC)
