1. 대화를 듣고, 여자가 구입할 물건을 고르세요.

M: May I help you?

W: Yes, I need a cushion for a sofa.

M: How about the striped cushion? Here are two kinds, a round one and a square one.

W: They both look okay, but the striped pattern is a little old-fashioned.

M: Well then, these heart-shaped cushions are now in fashion.

W: Oh, these are pretty and feel so nice. Are these 100% cotton?

M: No, they're 80% cotton and 20% polyester, so the price is reasonable.

W: Hmm... I don't think the checkered pattern goes with this heart-shaped cushion.

M: Then we have another design. How about this polka-dot one?

W: That's fine. It's very cute. I'll take it.

2. 대화를 듣고, 남자의 심정으로 가장 적절한 것을 고르세요.

M: Laura, why are you so busy? And where are our classmates?

W: The photographs!

M: Photographs? What do you mean?

W: Don't you know? We're taking the photographs for graduation today.

M: That's today? Oh, that's why everyone is out.

W: Yeah! How could you forget it? You bought a new suit for it last Sunday.

It is used to make plastics and nylon. It's used in bug killers, fertilizers, and paints. It's also used in asphalt, the black material that coats roads. Things you use to clean your home have it in them. Some medicines and some kinds of make-up also have it. It's no wonder that it is called "black gold."

M: What seems to be the problem, Rachel ?

M: It's easy. You just need a data transfer cable that comes with the MP3 player.

W: Data transfer cable? What do you mean? I've never heard of that.

M: Oh, you don't have any idea about it. All you have to do is just connect one end into the USB port and the other into your MP3 player.

M: Don't worry about that. I have an extra one. I'll get it for you tomorrow.

W: Thanks, Paul.

M: Don't worry. Some of these youth hostels have rooms with a private bathroom.

W: Oh, really? That sounds nice. And, there should be an air-conditioning system. It'll be pretty hot by then.

M: Yeah, I don't like to sweat while I'm sleeping. Then, we have two choices.
